**This Place  
Is More Than  
a Building**

There are moments  
in the life of a church  
when you realize...  
this isn't just a building.

These walls have held  
recovery meetings, tutoring  
tables, prayer circles, and  
worship services.

Families have found **belonging** here.  
Children have discovered **faith** here.  
People have walked in unsure of  
their future and found **hope**.

For years, the South Lebanon  
Hope Center has been a place where  
**lives are changed**.

# A Home for the Next Generation

**When we think about the future, we don't just see buildings.**

**We see children growing in faith.  
Students discovering purpose.  
Families finding community.**

**We want this to be a place where the next generation learns to worship, serve, and follow Jesus.**

**“God isn't finished with this place.”**

# The Opportunity Before Us

Last year we signed a 20-year lease with the City of South Lebanon for the Hope Center. This gives us the opportunity to make long-term improvements that will strengthen ministry and community impact.

# Key projects

- > A new roof to protect the facility
- > A new parking lot for safety and accessibility
- > Energy-efficient windows
- > A welcoming lobby addition
- > Improved student ministry space

A young child with blonde hair, wearing a light green long-sleeved shirt and dark blue pants, is walking in a church hallway. The child is holding a red sippy cup with a purple straw. The hallway has a polished floor and a brick wall. In the background, other people are visible, including a woman at a desk.

“  
We  
believe  
this is  
something  
we will  
accomplish  
together  
as a  
church  
family.”

# What This Means for the Future

The total cost of the project is approximately **\$2 million.**

Because of grants and previous commitments: **\$1.2 million** is already secured.

---

That means we only need to raise: **\$800,000**

Once the project is complete, the Village will pay **zero rent!** for the next 20 years.

# Simple and Transparent

## Here's how the campaign works

**Campaign Goal:**  
**\$800,000**

**Commitment Period:**  
**24 months**

Each person or family will prayerfully consider a financial commitment over the next two years.

**Our hope is that every person that calls Village Vineyard home would participate in some way. It's not about equal gifts but about shared sacrifice.**

**Every Gift Matters.**

WHIZ KIDS

One of our students is walking through a really difficult season and carrying more than we can see. In the middle of that, tutoring has become a place of consistency, safety, and care—something he looks forward to every week. He talks often about his tutor and how much that time means to him. That steady presence is making a bigger impact than we may ever fully realize. I know the past few weeks have felt heavy, but this is a reminder that what we do matters. Showing up, building relationships, and creating safe spaces is making a difference.

**I found  
support  
when I  
needed it  
most.**

JOSHUA'S PLACE

What began as simply attending church grew into a life-changing source of support through Joshua's Place and the Village Vineyard Church community. During difficult seasons, when life made it hard to keep going, people stepped in with love, encouragement, and tangible help that made a lasting impact. Even now, while recovering from surgery and unable to work, that same community continues to show up with care and generosity. With deep gratitude, it's clear that these acts of kindness are more than support—they are a reflection of God's love in action.

**This  
place  
saved  
my life.**

CELEBRATE  
RECOVERY

I'm a believer in Jesus Christ, and today I'm walking in freedom from addiction because of the family I found at Celebrate Recovery. When I first came, I was at my lowest and didn't want to keep going, but someone simply said, "Come back," and that invitation changed everything. For years I lived a double life, hiding my struggles and feeling like a failure, but here I was seen, heard, and met with truth and grace. I'm not where I want to be yet, but I'm far from who I used to be. Now I'm learning to let go, trust God, and live in real freedom—no longer just existing, but fully surrendered and all in with Christ.

We believe God is able to do immeasurably more than we ask or imagine. This campaign isn't just about improving a building. It's about building a place of hope for the people who will walk through these doors for the next 20 years and beyond.
